### 1. Reasons and Objectives of the Proposed PMTHMETD

Based on the audited consolidated financial statements of the Company for the period ended on 31 December 2023, audited by Y. Santosa & Partners Public Accounting Firm, the liability items in the Company's Financial Statements that meet the conditions for PMTHMETD in accordance with Article 8B letter (c) of POJK 32/2015 are as follows:

- a. Long-term loans to the creditor Eurofa amounting to USD50,000,000 (fifty million United States Dollars) or equivalent to IDR770,800,000,000 (seven hundred seventy billion eight hundred million Rupiah); and
- b. Short-term loans - Third parties to the creditor SMIL with an outstanding amount of IDR465,117,037,007 (four hundred sixty-five billion one hundred seventeen million thirty-seven thousand seven Rupiah).

Several benefits that the Company will gain from this PMTHMETD include:
